8. Scope of this document

This report brings together, at the dates shown, what three public registers publish. It is not an official record: the DVSA's vehicle operator licensing service and Companies House are authoritative, and a change made after the export dates is not reflected here. It does not cover the operator's compliance risk score, public inquiry history, MOT results or insurance. Independent service, not affiliated with the DVSA, the Traffic Commissioners, Companies House or the Environment Agency. Contains public sector information licensed under the Open Government Licence v3.0. Questions or an objection to the processing of a name: contact@egid-vaud.ch.
